bones. She at once ran to Dr. Van

strong emetic, which brought it around
all right.

The German Theological Seminary in Need
of an Endowment.

At an adjourned meeting of the Presby-
tery of Newark, held at the First Presby-
terian Church in that city on Wednesday
the report of the German Theological
Seminary was read by the Rev. Dr. Knox.

The report was for the year ending Dec.
31. Forty-eight students attended, five
were graduated and five were promoted
from the academic to the theological de-
partment. Three Bohemians and three
Italians have been admitted to a special
course. The endowment fund amounts to
\$65,519.18. The current income was
\$7,953.07, of which \$1,355.85 was for a de-
ficit of last year. The total current ex-
pense amounted to \$10,572.67. The
dormitories are insufficient, and students
are boarded outside the institute at extra
expense. There is a great and constant
demand for the services of graduates.

The report was accepted. There is a
deficit this year of some \$3,000, which is
more than double the deficit of the pre-
vious year. Dr. Knox said that there
should be an endowment sufficient to
guarantee the payment of expenses. The
faculty are not promptly paid, and no
minister in the Presbytery, the speaker
said, was so irregularly paid. Some
plan should be set on foot to provide an
adequate endowment.

A Fire at the City Home.

A fire occurred on the City Home
property at Verona Wednesday afternoon.
A barn and part of its contents were de-
stroyed. The fire is believed to have
been the work of an incendiary, and an
effort is being made to ferret out the
guilty party. The fire was discovered
shortly before one o'clock, while the
boys were leaving the dining-room. The
larger boys hurried to the barn and, with
the help of the men, removed the
six horses and wagons. Less than five
minutes after the fire was discovered the
whole structure, which was of frame,
was enveloped in flames, and a few
minutes later it fell in a heap. It was
said at the home that one of the boys
was suspected of being the incendiary.

Henry V. Plaget, a Jersey City under-
taker, has begun suit against Lewis &
Trimble, liverymen, to recover \$10,000
damages. The liverymen supplied Plaget
with coaches at a recent funeral. Among
the drivers was a non-union man. The
union drivers dropped their reins
the moment they saw him, and left the
mourners to make their way to the
graveyard in horse-cars. Mr. Plaget
says that, as a result, his business has
been seriously injured.
